Organizational Meeting Agenda:

1. Pledge of Allegiance
2. Call to Order - Frank called the meeting to order 7:02 PM
3. **MOTION:** Approve June 19th, 2025 minutes - 1st Jack / 2nd Jim / none opposed. Adopted.
4. Old Business:
 - a. Update project list review and assignments – **see attached list**; Motions and additional status below:
 - i. Enhanced Wake: Lauren Halverson sent a letter to the TLIPA Board requesting a compromise regarding the Richmond Township (RTB) proposed Ordinance to ban enhanced wake activities on Turtle Lake. Jack, as lead for the Enhance Wake and Home Lake Ordinance project, responded that the TLIPA board voted 8-1 to support the Ordinance as proposed. He is not in favor of exceptions. There was no discussion. Frank will send an email response to Lauren.
 - ii. Invasive Management: Jack, as lead for the Invasive Management project met with Brandon Reise, DASH contractor. Jack recommends continuing with the DASH program for the lake due to its effectiveness. Brandon says the channel has too many native plants, in addition to weeds, to use DASH. Brandon recommends using DASH only to clear the boat launches for navigation. Dredging, although expensive (\$100k), may be the best way to clear the channel. Brandon needs approval by February to obtain WDNR permits for DASH. Jack does not recommend chemicals anywhere in the lake because they kill everything and impact fish.
 - iii. Fish: The WDNR has approved 1700 walleyes, 400 small mouth bass, and 200 channel catfish will be dropped in September.

- iv. Buoy: Buoy will be stored on Beth Auer's property again this year. Please contact Scott at scott.nowicki4@gmail.com if you can help with buoy removal on **Saturday, September 27th**.
- 5. New Business:
 - a. Frank has created a 'New TLIPA Project Request' form for members. He will distribute for suggestions and comments.
